## Sustainable production

- Our production is located in the heart of Europe. This means short distances on the way to your customers.
- We produce exclusively with CO<sub>2</sub>-neutral green electricity from hydropower and pay attention everywhere to a careful handling with our resources.

## Recycling material used

- We use an ABS recompond based on >95% recycled material.
- This means reusing industrial production remnants and waste, returns and everyday products.

## Durability

- We attach the highest importance to the use of first-class materials and high-quality processing.
- Our branding also meets high quality requirements: high colour brilliance, sharp-edged prints, long durability.

## senator® Magic Flow refills

- Our refill offers up to 5,000 m of writing comfort. Without smearing or scratching, document-proof!
- Once it is empty, you can get a free replacement at [refills.senator.com](https://refills.senator.com)
