LIBERTY Clip4U®

Design your own clip shape.
Contact us for more information.

Should you like to see a sample of your clip shape please do not hesitate to contact us. We will cut your shape from a sample clip. This will give you a realistic idea on how your individual clip will look like.

Of course, we can as well produce an original sample for you as soon as the tool is available.

Examples of clip shapes for which we do not charge any tooling costs.
