Brilliant reproduction quality at a top price: Senator® sublimation printed mugs.

Do you really want to shine with your brand? Then the senator® Pics products are the perfect choice for you. Only senator® offers this unique combination of large-scale sublimation prints and stylish mug designs. You have a choice of nine different mug designs to carry your effective promotional message.

- High colour variety and brilliance
- Photo realistic prints possible
- Already available for small quantities from 36 pieces
- 9 different mug shapes + 1 stainless steel mug

SUBLIMATION

The sublimation process uses pressure and heat to transfer the graphic onto a specially coated mug.

We offer this impressive branding method for a total of 9 different mug designs.
